

Follow the steps on this 2022 check-up checklist to make sure your family gets or keeps all of its available tax credits and benefits.

Is your family sometimes struggling to meet its basic needs?

Are you worried about how you will keep up without monthly payments from the Child Tax Credit?

File your 2021 tax return

Even if you aren't required or don't normally file your taxes, be sure to file your 2021 tax return so you can claim the rest of your expanded Child Tax Credit and other funds like the Earned Income Tax Credit. Free help is available in English and Spanish at getyourrefund.org.

Update your household info

Many people have been displaced or experienced changes in their lives during the pandemic. Update your Medicaid and SNAP cases to make sure you keep your benefits and know when deadlines are coming up. Call [1-844-640-6446](tel:1-844-640-6446) or go to jfs.ohio.gov and click County Directory.

Keep your child's school informed

Schools need to keep your info up-to-date so your child(ren) receive available free or reduced-price school meals and Pandemic EBT (P-EBT) funds. Learn more at ohiopebt.org.

✓ If your child is out of school because of a COVID-19 related reason, make sure to report the reason for their absence to your child's school so that they may receive P-EBT funds for qualifying absences.

✓ Even if your child is getting free school meals during the COVID-19 pandemic, submit a new free or reduced-price meals application to your school so your child does not lose access if they are still eligible after the pandemic.

Check on other benefits & programs
